AUSTRAL SLURRY PUMPS

MQE manufactures and supplies Austral Slurry Pumps ranging in size from 1 x 3/4" through to 16 x 14".

Our pumps can be manufactured to specification, customising components to best suit your site's range of requirements.

MQE's Research and Development team collaborate with our clients to produce exceptional wear components tailored to their requirements.

Our liners, throat bushes, impellers and barrels are manufactured with our QA team ensuring the highest quality outcome.

Our components are fully interchangeable with Warman pumps. With over 10,000 components in stock, we can meet your requirements and keep your business operational.

AUSTRAL CANTILEVER SUMP PUMPS

MQE manufactures three types of Cantilever Sump Pumps. These come in different sizes to suit a variety of applications:

- Medium Duty
- Heavy Duty
- Non-clogging Chokeless Pump

Our range of Cantilever Sump Pumps are manufactured with non-submerged bearings to ensure maximum pump life. Our pumps are manufactured in both hard-wearing chrome alloy and rubber lined construction. Our Cantilever Sump pumps come in various leg lengths to suit all applications.

PUMP REBUILD FACILITY

MQE's state of the art Pump Rebuild Facility has been purpose-built to service the needs of our client base. We service and refurbish all models of pumps from 1 x 3/4" through to 16 x 14".

Our vast experience guarantees that your pumps will be rebuilt using quality components and assembled correctly, ensuring all tolerances are within specification. MQE's in-house Blast and Paint facility will have your pump looking like new. With a large range of components in stock at all times, MQE ensures minimal wait times on components when your plant is experiencing an outage or shut down. We work with our clients and proactively to ensure we carry adequate stock at all times.

We pride ourselves on creating reliability for our clients. Our technical team supplies advice on application sizing and alternative materials to ensure maximum pump life-cycle between refurbishments.

BEARING ASSEMBLY REFURBISHMENT

MQE offer our clients a Bearing Assembly Refurbishment Service.

FROM THIS TO THIS

SPARE PARTS

MQE stocks over 10,000 fully interchangeable pump components to suit Warman and Austral Slurry Pumps from 1 x 3/4" through to 16 x 14".

We ask our new clients to send us a list of their pumps so we can price their wear components and show how we can save them on operational costs and plant downtime.

- EL3409 **1500 KVA PPE Transformer:** 11,000 to 433 Volts - Yyn0
- Complete with Skid Base.
- EL3408 **600 KVA Galaxy Rutherford Sub Station:** 1000 Volts to 415
Volts - Ynyn - Dry Type Transformer - Mounted on Gal Skid
Base.
- EL3406 **5000 KVA QTC Transformer Transformer:** 11,000 Volts to
6600 Volts - YNd11
- EL3405 **4000 KVA QTC Transformer Transformer:** 33,000 to 11,000
Volts - YNd11.
- EL3404 **2000 KVA Hahn Electrical Hire Sub Station:** 11000 to 1000
Volts - Complete With HV Lucy RMU & 1000 Volt Distribution
Board. Hire unit.
- EL3403 **1750 KVA Powertek Transformer:** 11,000 to 3300 Volts
- Dyn11.
- EL3402 **2000 KVA Westelect Sub Station:** 11,000 to 1,000 Volts
- Dyn11 - Complete with HV Lucy & LV Distribution Board.
3 units available.
- EL3400 **1500 KVA M & Q Equipment Transformer:** 1000 Volts to
415 Volts - YNyn0. 2 units available.
- EL3395 **500 KVA M & Q Transformer:** 1000 Volts to 415 Volts
- YNyn0. 3 units available.
- EL3392 **1500 KVA Westralian Transformer:** 11,000 to 433 Volts
- Dyn11.
- EL3389 **1000 KVA RCR Positron Substation:** 11,000 to 1000 Volts
- Complete with HV Lucy, 11 KV RMU & 1000 Volt Distribution
Board.
- EL3388 **2500 KVA ABB Transformer:** 11,000 to 433 Volts - Dyn11.
- EL3380 **2000 KVA ABB Transformer:** 22000 Volts to 433 Volts
- Dyn11.
- EL3379 **500 KVA M & Q Equipment Transformer:** 1000V to 415
Volts - YNyn0. Hire Unit.
- EL3376 **200 KVA ABB Transformer:** 33000 to 433 Volts - Dyn11
- Pole Mount.
- EL3375 **1000 KVA Schneider Kiosk Transformer:** 11000 to 433
Volts - Dyn11.

- EZ3020 **400 KVAR Capacitor Technologies Power Factor Correction:** 415 Volts - Complete with Circuit Breaker & Controller. Condition: Excellent.
- EZ3019 **1000V Olex Mining Cable:** 150mm² 3 Core + Earth - Complete with 300 Amp Plugs - 150m Long. Condition: Good.
- EZ3018 **1000V Olex Mining Cable:** 150mm² 3 Core + Earth - Complete with 300 Amp Plugs - 100m Long. Condition: Good.
- EZ3016 **400 KVAR ABB Power Factor Correction:** 415 Volts - Complete with Circuit Breaker & Controller. Condition: As New.
- EZ3015 **22 KV Couplerco Bolted Coupler:** 425 Amp - Aluminium Housing - 2 Units Available. Condition: Excellent.

FANS AND BLOWERS

- FA3048 **110 KW Down Under Mining Underground Mine Fan:** 1000V - 2 Units Available - Galvanised. Condition: Very Good.
- FA3047 **55 KW Down Under Mining Underground Mine Fan:** 1000V - Weg - 4 Pole Electric Motor - Galvanised. Condition: Very Good.
- FA3046 **1500 Cogemacoustic Vent Fan:** Complete with 110 KW 4 Pole Motor & Variable Intake Blades. Condition: Very Good.
- FA3045 **77M / MIN Aerzen Blower:** Type GM905 - Maximum Input 90 KW. Condition: Unused.
- FA3044 **80,000 CFM Howden/Wolf Mine Vent Fan:** Wolf 54.25 - 250 KW Drive. Rated 38 M/S @ 4 KPA. Condition: Very Good.
- FA3027 **780mm Richardson Fan:** Centrifugal - Fitted with 45 KW 4 Pole Motor - Maximum Capacity 8300 Litres/Second @ 3.1 KPA.
- FA3026 **1640 Wolf Fan:** Centrifugal - Fitted with 110 KW Motor - Capacity approximately 11,500 Litres/Second @ 4.5 KPA.

**EZ3016 400 KVAR ABB Power
Factor Correction:** 415 Volts -
Complete with Circuit Breaker &
Controller. Condition: As New.

**FA3049 110 KW Korfman/
Ausminco Mine Vent Fan:**
Twin 55 KW - 1000 Volts.
Condition: Very Good.

FEEDERS

- FE3078 **1560 x 6178 M & Q Equipment Vibrating Grizzly Feeder:** Model RMF5220 - Complete with Drive Motor, Springs & Mounts. Condition: New.
- FE3077 **1168 x 4875 M & Q Equipment Vibrating Grizzly Feeder:** Model RMF4616 - Complete with Drive Motor, Springs & Mounts. Condition: New.
- FE3076 **1500 x 6000 RCR Tomlinson Apron Feeder:** Complete with Hagglund Drive & Power Pack. Condition: Very Good.
- FE3075 **F152 Syntron Feeder:** Tray Size 250mm x 600mm Long - Complete with Controller. Condition: Good.
- FE3072 **1350 x 7670 Jaques Apron Feeder:** Condition: Good.
- FE3070 **F55DT Syntron Vibrating Feeder:** Tray Size 1220 wide x 2100 Long Condition: Good.
- FE3068 **1200 x 4000 Jost Vibrating Feeder:** Complete with Twin Drives. Condition: Unused.
- FE3067 **1650 x 7000 Jaques Apron Feeder:** Complete with Twin Hydraulic Drives - New Pans Fitted. Condition: Good.
- FE3066 **1200 x 4000 Jaques Apron Feeder:** Complete with 11 KW Electro Mechanical Drive. Condition: Good.
- FE3065 **1500 x 12000 Bateman Kinhill Belt Feeder:** Complete with 30 KW Planetary Drive. Condition: Excellent.
- FE3061 **1500 x 7500 Bateman Kinhill Belt Feeder:** Complete with 30 KW Planetary Drive. Condition: Excellent.
- FE3059 **750 x 4800 Belt Feeder:** Complete with 2.2 KW Drive & Skid Base. Condition: Good.
- FE3044 **500 TPH Stamler Reclaim Feeder:** Model BF-7H-0-64S - Complete with Hydraulics and Spares. Condition: Excellent.
- FE3041 **750 x 1800 Syntron Vibratory Feeder:** Twin Invicta Drives.
- FE3040 **1800 x 4900 Allis Chalmers Vibrating Feeder:** Fitted with Grizzly - Complete with Drive, Base Frame and ROM Hopper. Condition: Excellent.

FE3077 1168 x 4875 M & Q Equipment Vibrating Grizzly Feeder: Complete with Drive Motor, Spring & Mounts. Condition: New
